DETAILED ACTION

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

1. Claims 1-4 and 7-16 are allowed.

Claim 1 is limited to a spatial sound conference system. This claim is currently amended to include the allowable subject matter of dependent claim 5 in its entirety.

The reasons for the allowability of claim 5 were previously presented in the Final Office Action dated 12 July 2005.

Claim 8 is limited to a spatial sound conference system. The reasons supporting the allowability of this claim were previously presented in the Final Office Action dated 12 July 2005.

Claim 13 is limited to a method for conducting a spatial sound conference. The reasons supporting the allowability of this claim were previously presented in the Final Office Action dated 12 July 2005.

Claims 2-4, 7, 9-12 and 14-16 depend variously from claims 1, 8 and 13, and thus, inherently include all allowable subject matter as identified supra. Therefore, these claims are allowable over the cited prior art for at least the same reasons as their base claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
